

HAZARDS CAMPAIGN

Sponsorship of Hazards Conference 2022 - 29-31st July, 2022

In 2019, 185 trade union national, regional and branch organisations, Personal injury solicitors, and groups and individuals supported the Hazards Conference. Since then we have held 2 online conferences during the difficult circumstances of the pandemic. These have been held free of charge, with the kind sponsorship of some organisations, but we cannot sustain this for any longer.

Hazards sponsors in the past have always risen to the challenge and continued their invaluable and essential support. The last two years have been tremendously difficult for all workers and in the Hazards Campaign we have worked hard to respond to workers and their trade union's needs.

The feedback we have received over the last two years has been encouraging and to this end we are moving the Hazards Conference to a hybrid model, where delegates can attend in person or participate online. We would like to ensure all participants have an equal opportunity to attend and participate in the conference but we are acutely aware that some of our regular attendees have health conditions which will make them at risk of serious illness if they became infected by Covid and therefore we are providing an opportunity for everyone to attend, either in person or online. However we will incur additional IT and administrative costs to do this, but hopefully with the support of sponsors we can keep the price as low as possible.

Therefore, please can your organisation consider sponsoring the 33rd National Hazards Conference. If you would like to speak to someone about the conference then please email Janet at

hazconf@gmhazards.org.uk

To sponsor please complete the form attached and send it to c.bedale@btinternet.com or mail it to Caroline Bedale, 123 Coppice Street, Oldham OL8 4BH.
